4Restore⁺

Nitric Oxide Boost

Boost nitric oxide production in your body naturally with 4Restore+, an advanced formula with powerful Nitrosigine[®] Inositol-Stabilized Arginine Silicate, a fast-acting, superior nitric oxide boost ingredient. This innovative formula increases nitric oxide production in the body and supports blood flow, muscle pump, positive cognitive performance, and healthy aging.*

PRODUCT DESCRIPTION

4Restore+ boosts nitric oxide production with Nitrosigine, a clinically tested, highly bioavailable ingredient shown to support fast-acting nitric oxide production. This helps replenish levels of nitric oxide that decline with age to promote blood flow, muscle pump, cognitive performance, and overall vitality. 4Restore+ also includes L-glutamine to support natural human growth hormone production for healthy aging.*

4Restore+ promotes calm energy and cognitive performance with Nitrosigine, American ginseng, gotu kola, and pomegranate extracts. Eurycoma longifolia and epimedium can help men maintain testosterone and support positive libido function in both men and women. The ingredients in 4Restore+ encourage balanced energy, performance, and recovery for a stronger, more energized body and mind.*

DIRECTIONS

- ▶ Take 5 capsules daily with water.

Store in a cool, dry place.

INGREDIENT FEATURES & BENEFITS

- ▶ **Circulation:** A combination of Nitrosigine, L-citrulline, and beet juice can help boost nitric oxide levels by naturally encouraging oxygen delivery to vital tissues and supporting overall cardiovascular health.*
- ▶ **Performance:** An increase in nitric oxide, along with a blend of herbs, helps support stamina, strength, focus, and energy which may improve your ability to endure workouts and daily tasks that demand strength.*
- ▶ **Cognitive Function:** Nitrosigine, American ginseng, gotu kola, and pomegranate extracts provide powerful support to encourage positive mental clarity and focus.*
- ▶ **Libido and Testosterone Support:** Boosted nitric oxide levels lead to improved blood flow and increased circulation. Improved blood flow supports energy and libido in both men and women. Eurycoma longifolia root extract and epimedium may help men maintain healthy testosterone levels.*
- ▶ **Healthy Aging:** Natural nitric oxide in the body declines with age. Ingredients like arginine and L-glutamine support natural human growth hormone (HGH) which can help with nitric oxide production in the body for healthy aging and vitality.*
- ▶ **Clinical Studies:** Nitrosigine has been scientifically researched by 30+ studies, including 8 human clinical studies to test safety and efficacy.*
