What will they do for you?

THRIVE 2025 Weight Loss Competition New Year, New You!

The beginning of a new year provides the perfect opportunity to reflect, reset, and recharge your health goals. For many, shedding extra weight and improving overall wellness tops the list of resolutions. As the calendar flips to a new year, it's the perfect time to flip your mindset and your habits towards a new you and towards your weight loss and weight management goals. Incorporating Sisel's new weight loss and gut health products into your daily regimen, along with prioritizing healthy eating and regular physical activity, is an easy habit to form, and one that can lead to lasting change and a new, healthier you.

This year, you have the option to compete in one, two, or all three of the challenge categories: Fitness Sales, Weight Loss, and 60-Day Fitness Challenge.

Fitness Sales. During this challenge you will receive points for fitness and gut health products purchased by your personally-sponsored downline. Points will be increased for products purchased by new enrollments you sponsor as well as fitness product packs. To compete, you must generate a minimum of 1,000 points monthly and personally purchase at least 200 OV each month. You'll be competing for a monthly prize, as well as the grand prizes. Terms and conditions apply.

Weight Loss. Gather your five closest friends (for a total of 6) and form a dynamic weight-loss team! As the Coach, entering your Team into the competition is a breeze. Simply reach out to Customer Service via phone or email. You will need to provide essential details such as the team name, your own name, distributor I.D. number, starting weight, as well as the names, I.D. numbers, and starting weights of every Team Member.

Subsequently, the Coach will be responsible for tracking the pounds lost by each Team Member and at the conclusion of each month, these results must be communicated to Customer Service via a call: **(801) 704-6700** or email: **customerservice@sisel.net**

Each participant is required to log their initial weight and invest in a minimum of 50 OV from fitness products during each month of the contest. Monthly, we'll closely monitor both individual and team progress to ensure everyone is actively participating in both weight loss and purchases. Every month we'll acknowledge the top-performing team and distribute enticing prizes as a reward for your dedication! Terms and conditions apply.

60-day Fitness Challenge. Take the 60-day Fitness Challenge and kickstart your weight loss journey with our cutting-edge products in the new Weight Loss or Gut Health Starter Packs! Over the next two months, transform your health and body while using our scientifically formulated supplements to support fat burning, energy, gut health, and overall wellness. Share your success story with us by sending in your testimonial via photo or written, and inspire others with your incredible results through social media by tagging Sisel Corporate. Join the challenge today and let Sisel be your partner in achieving a healthier, fitter you! Terms and conditions apply.*

You can compete in one, two, or all three different categories:

- **Fitness Sales**
- **Weight Loss**
- **60-Day Fitness Challenge**

Contest runs from January 1st to March 31st

Fitness Sales Competition

Weight Loss Competition

- Invite five of your closest friends and create a Team to lose weight and win up to \$8,100 in product vouchers.
- Every participant must enter their starting weight and purchase at least 50 OV from fitness products each month during the competition.
- After entry, every month, Sisel will track you and your team to make sure everyone is purchasing and losing weight.
- If an individual fails to purchase 50 OV from fitness products during a month, a participant forfeit will occur, and the participant's weight loss results will be excluded from the team's results for that month and towards the duration of the challenge. If the team allows, that person can jump back into the challenge the following month.
- Coaches can create more than one team simultaneously during the competition.

How to Enter

The contest starts January 1st, but Teams have until January 16th to register in time to compete during January. Teams can register after the 16th but will only qualify for the following month, but can still compete for the grand prize. To enter a team into the competition: the Coach will call or email Customer Service and provide a team name, their name, I.D. number, starting weight, and the names, I.D. numbers, and starting weights of each Team Member. From there, the Coach will track each Team Member's progress in pounds lost (including their own) and call/email these results to Customer Service at the end of each month! Every month Sisel will release a leaderboard with prizes to the team that lost the most weight.

Weight Loss Competition Winners (\$8,100 Total Value)

Final Winner

1st place Team (up to \$6,000 Value)

- \$1,000 Product Voucher for every Team Member and Team Coach

Monthly Winner

1st place Team (up to \$700 Value)

- \$200 Product Voucher for Team Coach
- \$100 Product Voucher for each other Team Member

Terms & Conditions:

- You must be a Preferred Customer or Distributor with an active I.D. number.
- You must purchase 50 OV every month or you will automatically be forfeited for that specific month.
- You may be able to qualify again at the start of the next month.
- Only 6 participants allowed on each Weight Loss Team.
- Vouchers expire 60 days after being awarded.
- Only one Team Coach per group.
- New members or new teams must be added before the 15th of every month.
- \$8,100 value in prizes is split between group participants.
- You must purchase 50 OV monthly.
- The 50 OV must be shipped to the address on file.
- You may not "swap" out Team Members.

60-Day Fitness Challenge
