# Introducing New Shipping Rates for Canada

We are thrilled to announce new, reduced shipping rates for our valued Canadian Distributors. This new tiered shipping structure offers you significantly lower shipping costs.

Shipping is now based on PV amount and package weight with the following scale in place:

PV AMOUNT OF ORDER	PACKAGE WEIGHT Up to 8 pounds (3.6 kg)	PACKAGE WEIGHT 9 to 15 pounds (4.1 to 6.8 kg)
199 or less	\$20 (USD)	\$40 (USD)
200 to 299	\$10 (USD)	\$30 (USD)
300 or more	\$0 (USD)	\$20 (USD)

As you can see, with your 300+ PV order weighing up to 8 pounds (3.6 kg), we are now able to offer a **FREE shipping rate!** So, purchase and enjoy your favorite Sisel products each month with a no shipping cost option, and lower rates for all other options!

To help make shipping costs even more stress-free, Sisel's Shipping Voucher Program reimburses you with Shipping Rebates and our Loyalty Rewards Program gives you Loyalty Discounts when you place consecutive monthly orders.
