MAXMotion™

Joint Health *Equine Formula*

Strengthen your horse's joints and mobility with MAXMotion Equine Formula, created to supplement their food and help with daily function. Formulated for horses of any age with essential active ingredients that support all 18 synovial joints, MAXMotion helps with recovery from stiffness and joint injury and can improve performance and health.

PRODUCT DESCRIPTION

MAXMotion Equine Formula combines powerful ingredients like collagen type II and collagen peptides to repair joint tissues, boswellia serrata, beta glucan, and MSM to help reduce inflammation, and hyaluronic acid and glucosamine HCl to lubricate the joints. This formula can improve joint recovery, prevent degeneration, and can help with shock absorption and flexibility.

Alongside joint support, MAXMotion improves bone health, and with natural vitamins and minerals, makes a great overall supplement to support your horse's healthy systems. MAXMotion uses ingredients like fulvates and vitamin C to help improve immunity and support multiple functions in the body for complete health. Horses of any age can use MAXMotion to feel better and happier than ever.

DIRECTIONS

► Include with your horse's meal once daily. Intended for use as a supplement.

- Under 600lbs 0.5 scoop (15g)
- 600-1200lbs 1 scoop (30g)
- Over 1200lbs 1-2 scoops (30-60g)

Store in a cool, dry place away from direct sunlight.
Do not freeze.

INGREDIENT FEATURES & BENEFITS

- **Joint Support:** Reduce occurrence of inflammation with boswellia serrata, beta glucan, and MSM, and repair cartilage and surrounding tissues with collagen peptides and collagen type II which are essential elements for joint maintenance.
- **Joint Lubrication:** Improve joint lubrication with hyaluronic acid and glucosamine HCl, which help enhance performance and prevent joint degeneration.
- **Bone Health:** Support bone health with manganese sulfate and added vitamins and minerals.
- **Overall Health:** Fulvates, combined with vitamin C, limu moui, and alfalfa, create a powerful source of minerals, antioxidants, vitamins, and natural fiber to improve overall health and body functions, including immune support.
- **Flavor-Free:** Containing no added flavors or fillers, this formula is easy for your horses to consume and digest.
