

Sisel Fire&Ice™

Thermogenic, Low-Glycemic, Drink Alternative

Sisel Fire&Ice™ is an ideal soda or energy drink replacement for diet and health conscious consumers. It has been formulated as a low-glycemic blend of organic fruits, vitamins, and minerals that tastes good and is good for you. It will help quench your thirst. When mixed with 8 to 16 ounces of water, **Fire&Ice** will provide powerful nutritional support for decreasing your hunger and increasing your body's ability to burn fat.

Dynamic Thermogenic Properties

Fire&Ice has been designed to provide support to your body's thermogenic capabilities. Combined with diet and exercise, it uniquely boosts your natural ability to burn fat and store energy. It contains vitamin B, potassium, important micronutrients, buffered caffeine, and green tea compounds that, combined with diet and exercise, help support you in your weight loss program, while boosting energy levels.

Vitamin B-6 helps the body use and store energy from protein and carbohydrates in food.

Chromium helps lower blood glucose levels.

Thiamin helps the body use carbohydrates as energy and is essential for glucose metabolism. Thiamin also plays an important role in nerve, muscle, and heart function.
