SiselRIPT™

Pro-Grade Post-Workout Sunburst Flavor

Optimize muscle growth, repair, and maintenance with SiselRIPT Post Workout, created with a patented formula that provides the perfect ratio of EAAs (Essential Amino Acids) and BCAAs (Branched-Chain Amino Acids). SiselRIPT supports muscle protein synthesis, improves strength, and enhances overall muscle quality, making it ideal for recovery. *

PRODUCT DESCRIPTION

SiselRIPT was developed to give you the best balance of EAAs and BCAAs for muscle support, endurance, maintenance, and recovery. Dr. Robert Wolfe's research on "The Perfect Ratio" helped to produce a formula that supports muscle protein synthesis by delivering the precise EAA ratio for muscle growth and recovery, and BCAAs for energy, endurance, and muscle maintenance.

EAAs cannot be produced by the body, and incorrect ratios can lead to oxidation, or muscle breakdown. SiselRIPT gives you the perfect ratio of EAAs in a 5-gram serving to support muscles. The BCAAs—leucine, isoleucine, and valine—are key for boosting protein synthesis and reducing muscle loss, while also helping with muscle integrity and quality. SiselRIPT can help you perform at your very best and achieve your workout goals.

DIRECTIONS

► Mix 1 scoop in 8 - 16 oz of water, 1 to 2 times per day. For better results, drink 1 serving post-workout.

Do not use more than 1 serving at a time. Store in a cool, dry place.

INGREDIENT FEATURES & BENEFITS

- **Anabolic Response:** BCAAs can boost the anabolic response by up to three times and enhance the rate of muscle protein synthesis, all while limiting protein degradation during rest.
- **Muscle Protein Synthesis:** Muscle protein synthesis is the process by which your body builds new muscle proteins to repair, build, and grow stronger. EAAs, which the body cannot produce, help support muscle protein synthesis when supplemented.
- **Muscle Quality:** The proper ratio of leucine, isoleucine, and valine can support muscle maintenance, growth, and repair, while also helping promote natural energy and endurance.
- **Clinically Proven:** Backed by over \$20 million in research and 25 human trials, this patented formula is clinically proven to support positive muscular growth, regeneration, and conditioning.
- **Natural, No-Calorie Sweeteners:** Free from sugar, sucralose, aspartame, and artificial sweeteners, SiselRIPT offers easy consumption with a delicious and fruity sunburst flavor.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

ANABOLIC RESPONSE

Up to 3 times greater anabolic response.

MUSCLE QUALITY

Improved overall muscle strength and quality.

HUMAN CLINICAL TRIALS

Supported by 25 human trials.

MUSCLE PROTEIN SYNTHESIS

Up to 3 times greater net gain of muscle protein synthesis.

INGREDIENTS

Net Weight: 5.9 oz (167 g)

Supplement Facts

Serving Size: 1 Scoop (5.6 g)

Servings Per Container: 30

Amount Per Serving		% DV
Calories	15	
Total Carbohydrate	1 g	<1%*
Proprietary Blend:	3.79 g	**
L-Leucine, L-Lysine HCl, L-Valine, L-Isoleucine, L-Arginine, L-Threonine, L-Phenylalanine, L-Methionine, L-Histidine, L-Tryptophan		

* Percent Daily Values are based on a 2,000 calorie diet

** Daily Values not established

OTHER INGREDIENTS: Citric Acid, Natural Flavors, Stevia (Leaf) Extract

PHENYLKETONURICS: Contains Phenylalanine

WARNING

If you are pregnant, nursing, under 18 years old, taking prescription medication, or have a pre-existing condition, consult your healthcare provider before taking this product. Keep out of reach of children. Discontinue use and consult with your healthcare provider if any adverse reactions occur. Do not use if sachet is torn or not sealed.
