Summer Spray

Botanical Outdoor Mist

with Citronella Oil

Embrace the outdoors with Summer Spray Botanical Outdoor Mist, an aromatic mist made from natural essential oils that has a crisp Citronella scent. Summer Spray can be used on your skin to help keep outdoor annoyances away and is even safe for horses. With Summer Spray, you can enjoy your time outside all summer long.

PRODUCT DESCRIPTION

Summer Spray is a rich blend of natural essential oils from herbs, spices, and flora. Our amazing mist uses properties from these botanicals to guard against pesky outdoor nuisances and is completely free of heavy chemicals and harsh agents. Your horses will also love this mist to combat those outdoor annoyances and keep them at bay.

Fresh Citronella stands out as the principal scent in Summer Spray and is enhanced by a medley of additional botanicals. The refreshing fragrances of summer can give you a mood boost and the added tocopherol (Vitamin E) can help soothe the skin which makes using the mist a pleasant experience. Summer Spray is safe for use directly on skin and is eco-friendly so you can feel confident using it whenever you need to be outside.

DIRECTIONS

► Hold container 10-12 inches away from skin and spray to cover exposed areas. Reapply as needed. Avoid spraying directly on face, eyes, or mouth.

Also suitable for use on horses.

FEATURES & BENEFITS

- **Natural Essential Oils:** Carefully selected essential oils from various botanicals are the main feature of the mist which keeps it natural while still being effective.
- **Outdoor Protection:** Guard yourself and your horses against pesky annoyances when outdoors.
- **Fresh Citronella Scent:** Boost your mood with an earthy Citronella scent and refreshing aroma as you mist your skin.
- **Eco-Friendly Blend:** The mist is free from harsh agents and is safe for skin and the environment.
