AseptiClean™

Toxin-Free, Biodegradable Dish Soap

Scrub away the grease and grime with AseptiClean Dish Soap, a powerful, toxin-free formula that is gentle on your skin. This biodegradable, earth-friendly formula is a powerful cleaner that leaves your dishes sparkling and fresh with a natural scent. AseptiClean is Sisel Safe®, perfect for your healthy home and lifestyle.

PRODUCT DESCRIPTION

AseptiClean is made with naturally derived ingredients and is free from sulfates, parabens, and harsh chemicals, making this dish soap a smarter choice for your home and the environment. Its biodegradable ingredients make it safe for disposal down your drain. The concentrated formula makes it easy to clean more and waste less, so a little goes a long way to keep your dishes spotless.

Formulated to fight hard water spots, AseptiClean gets dishes sparkling, cutting through grease and stuck-on messes. The plant-based cleaners lift away food and grime and rinses clean without leftover residues or buildup. With a rich lather and balanced pH, it's tough on dirty dishes but gentle on your hands and skin, making everyday cleanup quick, effective, and safe.

DIRECTIONS

- ▶ Dispense desired amount of AseptiClean directly into sink filled with warm water. Mix to increase suds.

INGREDIENT FEATURES & BENEFITS

- ▶ **Powerful Clean:** Delivers a powerful clean to cut through grease, remove food residue, and leave dishes sparkling clean.
- ▶ **Toxin Free & Biodegradable:** Formulated with natural, biodegradable, and toxin-free ingredients, this formula is also sulfate and paraben free.
