Colostrum

Unflavored

Inspire positive health with Colostrum Unflavored, an unsweetened and pure colostrum supplement. Colostrum provides concentrated IgG and lactoferrin, key components that help support your gut, muscle recovery, natural immunity, and keep your hair and skin looking and feeling healthy. *

PRODUCT DESCRIPTION

Colostrum Unflavored is an unsweetened concentration of pure colostrum. Without additives, this colostrum boasts a remarkable 40% Immunoglobulin G (IgG) concentration. IgG is a key antibody that plays a critical role in supporting the body's natural immune response and helping to neutralize pathogens and toxins. Colostrum also contains lactoferrin which is a key protein that supports positive gut health. *

Colostrum's high levels of IgG and lactoferrin supports gut health and intestinal lining maintenance and may even combat harmful bacteria in the gut. Colostrum's rich store of nutrients is important for tissue repair and may accelerate natural muscle recovery. Additionally, Colostrum can support hair growth and healthy skin so you can feel healthy and strong inside and out. *

DIRECTIONS

► Empty 1 scoop into 8-12 oz of **cold water** or your favorite Sisel beverage. Stir well and drink.

Store in a cool, dry place.

INGREDIENT FEATURES & BENEFITS

- **Gut Health:** Promotes the growth of beneficial digestive bacteria while supporting the intestinal lining for positive digestive function.*
- **Recovery:** Can aid in tissue repair and encourages muscle regeneration, promoting a faster return to peak performance.*
- **Hair & Skin:** Colostrum has been shown to have positive benefits for healthy hair and skin.*
- **Immune Support:** High IgG (antibodies) concentration and lactoferrin (a protein) in colostrum support natural immune response and fortify the body against unwanted pathogens.*
- **Unflavored:** This unflavored and unsweetened formula combines perfectly with other liquids for a drink of your choice.*
