Enliven™

Bath & Shower Gel

Refresh and hydrate your skin with Enliven Bath & Shower Gel, a gentle, plant-based body cleanser. The foaming gel removes dirt and oil while still helping your skin retain moisture and hydration. Enliven is toxin-free and uses ingredients with antibacterial properties, so your skin feels fresh, clean, and smooth.

PRODUCT DESCRIPTION

Enliven helps elevate your bath or shower with botanical ingredients, designed to nourish as it cleanses. Infused with soothing aloe vera and calming chamomile, this gel can help clean and soothe your skin. A rich extract blend of sage, nettle, and rosemary also contributes to helping the skin feel soft and nourished. These plant-based cleansers lift away dirt and impurities without stripping the skin of essential moisture.

Enliven delivers deep hydration with moisture-retaining ingredients like sodium hyaluronate, and amino acids from wheat, along with panthenol, to help strengthen skin cells, leaving it visibly healthy. Enliven also helps wash away bacteria and other microbes so your skin can stay fresh and clean. This balanced gel is free of harsh sulfates, phosphates, or toxins, and is perfect for everyday washing.

DIRECTIONS

Apply to skin and rub, lather, wash, and rinse.

INGREDIENT FEATURES & BENEFITS

- **Cleansing:** Lifts away dirt, grime, and impurities for a refreshing and clean feel.
- **Moisturizing:** Luxurious ingredients combine to help retain hydration, soothe skin, and are gentle enough to help skin retain moisture.
- **Versatile:** This gel can be used in the shower or bath to help wash skin gently and effectively.
- **Sisel Safe®:** Made without harsh chemicals, sulfates, phosphates, or other toxins, so that you can enjoy fresh and clean skin every day.
