

Eternity[®]

Resveratrol Beverage Supplement

Eternity[®] is a superior concentrated elixir that floods your body with high powered nutrients including resveratrol, an ingredient that addresses the daily struggle we face from the detrimental effects of the environment we live in.

Resveratrol is found largely in the skins of red grapes. It offers a level of protective support against fungus, ultraviolet light, stress, or trauma to grapes. Just how resveratrol offers this protection to red grapes from the harsh surrounding environment, it may offer similar protection for mankind.

Mounting evidence finds that Resveratrol vigorously supports the vitality of a specific sirtuin gene, SIRT1, providing support for the mitochondria, a kind of cellular battery that slowly runs down as we age. By recharging the batteries with Resveratrol, SIRT1 could have positive effects on health including increased energy, longevity and weight loss support.

Research suggests that high amounts of Resveratrol actually deliver impressive benefits. It would take approximately 40 bottles of red wine to equal a serving of **Eternity**.

Eternity's proprietary liquid support system is designed to protect it through the entire digestive process and deliver its particles into the very cells that utilize it. Holding **Eternity** in your mouth for approximately 60 seconds before swallowing will mix with enzymes in the mouth and greatly support its increased absorption and bioavailability.

Eternity is a powerful tonic loaded with additional pigmented fruit extracts and energy boosting nutrients. **Eternity** is an essential part of Sisel's Triangle of Life[®]. By taking **Eternity[®]** along with FuCoyDon UFG[®] and Spectra MAXX[®], you are flooding your body with important trace minerals, vitamins and nutrients to achieve potentially strong health support properties.

Science recognizes that free-radicals can damage DNA, which can become chronic and degenerative, and can decrease overall health.

Resveratrol addresses these issues head-on with its nutrients and activation of SIRT1. Drink up and enjoy the multiple benefits of **Eternity**.
