

# FuCoyDon UFG®

Naturally Flavored Fucoidan Beverage

sisel®

F131724-10-01

**FuCoyDon UFG®** is an extremely powerful, bioavailable, restorative, liquid supplement. It contains the power-packed super nutrient, fucoidan, which is abundantly found in the brown seaweed Limu Moui, that has been used for centuries to promote good health throughout the South Seas region. Sisel's Limu Moui is grown and sustainably harvested from the pristine waters off the coast of Tonga, then is frozen immediately after harvesting to preserve its nutritious value and active components.

This ancient sea vegetable, Limu Moui, has grabbed the attention of health care professionals around the globe. Scientific studies support the amazing regenerative support properties of fucoidan for nearly every system in the body. The analytically studied and proven fucoidan boasts well over 2000+ scientific studies that can be found in the United States National Institute of Health, National Library of Medicine. Researchers proclaim that qualities of fucoidan may be a great source of support for intensive regeneration at a cellular level.

Sisel undertook a significant investment of time and resources in obtaining patents on a process that extracts three active biochemicals from the fucoidan molecules found in Limu Moui. It's these three key active components that make our FuCoyDon UFG beverage so potent, bioavailable, and effective:

U is sulfated uronic acid; F is sulfated fucose; G is sulfated galactose. During this advanced process of purification and concentration, the molecules are hydrolyzed, or broken down into very small fragments, then sulfonated for maximum absorption and bioavailability. Sisel's FuCoyDon UFG product incorporates two patents that allow its precise and proprietary formulation and manufacturing.

FuCoyDon UFG® is an essential part of Sisel's Triangle of Life®. Taken along with Eternity® and Spectra MAXX®, you are flooding your body with important trace minerals, vitamins, and nutrients essential for overall health.

The Health  
of the Sea in  
Every Bottle

# FuCoyDon UFG®

Naturally Flavored Fucoidan Beverage

750 mL / 25.35 fl oz

## FEATURES AND SUPPORT BENEFITS

- Supports the immune system.\*
- Supports a healthy liver and circulatory system.\*
- Supports sustained energy, focus and clarity.\*
- Supports a healthy digestive tract.\*
- Supports a healthy mood.\*
- Supports healthy blood pressure already within the normal range.\*

## DIRECTIONS

Shake well before using. Drink 30 ml (1 fl oz) once daily. Drink alone or mix into your favorite beverage. Refrigerate after opening.

## CAUTION

**If you are under the age of 18, pregnant, nursing or have a pre-existing medical condition, consult with your health care provider before taking this product. Do not use if tamper evident ring or seal is broken or missing. Keep out of reach of children.**

## CONTAINS
