**SupraOmega PLUS™** is a comprehensive omega fatty acid product. It has been specially formulated to enhance cardiovascular health, protect cognitive function, and offer a source of anti-oxidants from vitamin E. Deep inside every cell is an imperative need for fuel in order to properly function. Essential omega fatty acids are a key source of that fuel. As we age, our ability to generate the essential fuel our cells require begins to diminish.

**SupraOmega PLUS** contains a powerful mixture of laboratory-extracted omega fatty acids. First are the Omega-3 and Omega-6 acids that are called “essential fatty acids” for good reason – our bodies simply can’t produce them. Additionally, we’ve added Omega-5 and vitamin E to fight oxidative stress and help reduce cellular damage; Omega-7 to help fat and blood sugar; and Omega-9 to increase metabolism and improve mood. Then we enhanced the product by adding our premium quality non-crystalizing CoQ10 – essential for generating the packets of fuel known as adenosine triphosphate (ATP) that potentially energizes cells. Since the body can only store a small amount of ATP and CoQ10, it may need regular help to renew its supply. SupraOmega Plus helps with that.

Support Your  
Cardiovascular,  
Neurological,  
Skin, Joints, Eyes  
and Biological  
Health

# SupraOmega PLUS™

Natural Health & Vitality Support Supplement

90 Soft Gels

## FEATURES AND SUPPORT BENEFITS
