Sisel's Telomere Support Xtreme, also known as **TSX**, is a phenomenal breakthrough in science and nutritional technology. **TSX** has the ability to assist in maintaining and lengthening the telomeres in your stem cells so you can practically turn back the clock.

At the ends of our chromosomes are stretches of DNA called telomeres. A telomere is a repeating DNA sequence that sits like a "cap" at the end of each chromosome. Telomeres protect our genetic data and make it possible for how often stem cells divide. Telomeres are believed to regulate the rate and speed of duplication of our cells.

Our bodies manufacture substances to keep telomeres healthy and strong. But as we age, our production diminishes, resulting in the telomeres getting shorter. As they shorten, it's like a clock counting down in our bodies: shorter telomeres means more fraying on the strands of DNA and telomeres, and it results in—as scientists speculate—aging.

The one-two punch of **TSX** comes in the form of astragalus and bacopa extracts. Astragalus is a very powerful Chinese adaptogen. Adaptogens allow your body to adapt to mental, physical and emotional stress. Astragalus supports the strengthening of telomeres and helps against unwanted telomere deterioration. Sisel uses superior extracts of astragalus that includes astragalosides and cycloastrogenol, all of which have potential anti-aging properties. Early research suggests that astragalus may be effective for overall protective health of our cells, and helping people with their energy and athletic performance support.

The second robust ingredient in **TSX** is bacopa monnieri. This fabulous herb from India has wonderful properties touted as a brain tonic that supports memory development, learning, focus and concentration.

Support Your
Telomere Health
and Start to Feel
Younger

FEATURES AND SUPPORT BENEFITS

- Supports healthy functions of telomeres, which protect the ends of chromosomes.*
- Supports healthy cognitive functions and brain health.*
- Encourages healthy function of DNA replication.*
- Supports cellular health.*
- Encourages healthy structure and function of organs with super nutrients.*
- Can enhance efforts to fight aging.*
- May help you feel younger.*

SUGGESTED USE

Ages 18-50 years: 1 capsules/day

Ages 50-70 years: 2-3 capsules/day

Ages 70+ years: 2-4 capsules/day

CAUTION

If you are under the age of 18, pregnant, nursing or have a pre-existing medical condition, consult with your health care provider before taking this product. Discontinue use and consult your health care provider if any adverse reaction occurs. Do not use if tamper-evident seal is

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Manufactured for:
Sisel International, LLC
P.O. Box 369, Springville, UT 84663

TSX™

Advanced Telomere Support Supplement

30 Capsules

Supplement Facts

Serving Size: 1 Capsule

Servings Per Container: 30

| Amount Per Serving | % Daily Value |
|---------------------------------|---------------------|
| Vitamin D (as Cholecalciferol) | 8 mcg 40% |
| Riboflavin (as Riboflavin) | 2 mg 150% |
| Vitamin B-6 (as Pyridoxine HCl) | 5 mg 290% |
| Sodium | 15 mg <1% |

Proprietary Blend 320 mg **

Bacopa (herb) Extract, Astragalus Extract, Milk Thistle (seed) Extract (Silymarin), alpha-Galactosidase, Turmeric (root) Extract (Curcumin), Berry (fruit) Blend (Grape and Grape Seed Extract, Wild Blueberry and Wild Blueberry Extract, Raspberry, Cranberry, Prune, Tart Cherry, Wild Bilberry and Wild Bilberry Extract, Strawberry Powder), Vegetable Blend (Broccoli Sprout Concentrate, Onion Extract, Tomato, Broccoli, Carrot, Spinach, Kale, Brussel Sprout Powder), Citrus Bioflavonoid Complex with Quercetin, Szechuan Pepper (fruit), Grape (skin) Extract (Resveratrol).

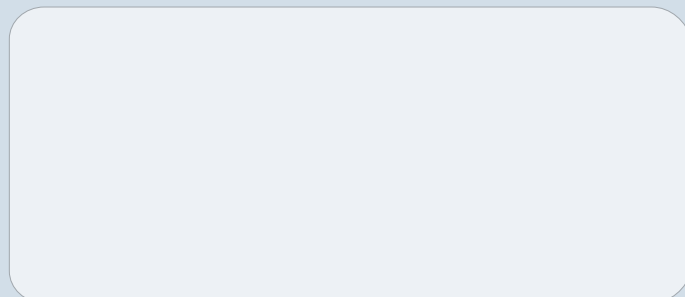

* Percent Daily Values are based on a 2,000 calorie diet

** Daily Value not established

OTHER INGREDIENTS

Microcrystalline Cellulose, Vegetable Capsules, Vegetable Fatty Acid, Silica.
