SiselGUT Essentials™

Daily Pre & Probiotic Coconut Lime Flavor

Our powerful blend of 35 billion CFUs¹ from 10 probiotic strains and four unique prebiotics, are carefully selected to nourish beneficial bacteria, support balanced digestion, enhance nutrient absorption, and fortify your immune system, resulting in a thriving gut.*

PRODUCT DESCRIPTION

Poor dietary choices, stress, and environmental toxins can disrupt the delicate balance of gut bacteria, leading conditions such as digestive discomfort, weakened immunity, and reduced nutrient absorption. Prebiotics and probiotics are essential for supporting a healthy balance by nourishing beneficial bacteria and fostering a healthy gut microbiome. Together, pre and probiotics can work to support healthy digestion, positive immune function, and promote overall well-being.

SiselGUT Essentials Daily Pre & Probiotics is a powerful supplement designed to promote gut health with 35 billion CFUs¹ per serving from 10 probiotic strains and four unique prebiotics. This advanced blend is formulated to help nourish your beneficial bacteria, enhance nutrient absorption, and promote balanced digestion so you can benefit from overall wellness. With its immune-supporting properties, SiselGUT Essentials Daily Pre & Probiotics helps encourage healthy body defenses so you feel your best every day.*

DIRECTIONS

► Empty one packet into 12-16 oz of **cold water** in a shaker bottle, then mix until uniform. Drink within 20 minutes.

Store in a cool, dry place.

INGREDIENT FEATURES & BENEFITS

- **35 Billion CFU¹ Probiotic Blend** supports gentle digestion and immune function by encouraging a healthy balance of gut bacteria. *
- **Organic Acacia Gum** contains gentle prebiotic properties that ferment slowly, making it less likely to cause gas and bloating, and supports growth of beneficial bacteria. *
- **Psyllium Husk** promotes overall digestive regularity by forming a gel-like substance, bulking stool, aiding regular bowel movements, and reducing the risk of constipation. *
- **Inulin (Chicory Root)** supports calcium absorption and promotes gut health by rapidly fermenting in the colon, feeding beneficial bacteria. *
- **Apple Fiber** helps maintain a more balanced effect on digestion with both soluble and insoluble fiber that supports overall digestive health and gut motility. *
