# SiselSilver™ Natural Deodorant with Micronized Colloidal Silver

*Fresh Ocean Natural Fragrance*

SiselSilver Natural Deodorant with micronized colloidal silver is a high-performance, aluminum-free deodorant that is naturally formulated to provide long-lasting odor protection, leaving you feeling clean and smelling fresh all day long.\*

## PRODUCT DESCRIPTION

SiselSilver utilizes a unique and effective micronized colloidal silver core surrounded by an  $Ag_4O_4$  Tetrasilver tetraoxide molecular coating. Within our formulation, the potent characteristics of silver, in synergistic effect with monolaurin and combined with our proprietary plant-based blend, creates an unfriendly environment for bacteria and provides natural and powerful deodorizing.

Our aluminum-free, talc-free formula helps neutralize odors and keeps you fresh while remaining completely safe for regular, continual use. This worry-free formula contains only natural odor-fighting ingredients, and soothing and conditioning plant extracts. SiselSilver Natural Deodorant is infused with plant-based moisturizers that help nourish your sensitive underarm skin, and aid with an easy, smooth-glide, non-greasy application.

With only beneficial, clean ingredients and no harmful aluminum, you can feel good about applying SiselSilver Natural Deodorant for all-day confidence and odor protection.\*

## DIRECTIONS

► Apply to underarms daily. For best results, apply immediately after showering.
