# Brightening Regimen

To reduce the appearance of dullness, discoloration, and dark spots, and keep your skin glowing and bright.

step  
by  
step

1 Cleanse

## ⚙️ Pure Balance Jelly Cleanser

To cleanse skin of makeup and dirt, eliminate impurities and unwanted oils, and control shine.

## ⚙️ Skin Dew Refreshing Mist

To refresh and prepare skin for targeted treatments and moisturizers, and protect against blue light and environmental stressors.

## ⚙️ Cell Anew Perfecting Serum

To smooth and plump skin, reduce the appearance of lines and wrinkles, and help prevent premature skin aging.

## ⚙️ Go Bright Vitamin C+ Brightening Boost

To target dullness, discoloration, and age spots, and reveal a bright, glowing appearance.

3 Moisturize

## ⚙️ Hydra Light Repair Lotion

To replenish and lock in lightweight moisture, strengthen skin's barrier, and safeguard against the signs of aging.

## ⚙️ Skin Shield Mineral Sunscreen Lotion SPF 30 PA+++

To protect against harmful UV rays while delivering a dewy layer of moisture and a hint of tint.
