

natrience™

Aligning the power of nature and the advancements of science, Natrience is clean, customized skin care formulated just for you and your skin's specific needs.

Skin Shield Mineral Sunscreen Lotion

Broad Spectrum • SPF 30 • PA+++

Defends Against UVA and UVB • Hydrates • Protects Against Photo Aging From The Sun • Protects Against Digital Aging from Blue Light • Reef Safe • Free from Chemical Sunscreens

Powered by natural ingredients, including 100% natural mineral sunscreen, this lightweight, non-greasy formula provides powerful broad-spectrum protection from the damaging effects of UV rays, blue light, and environmental stressors.

With broad spectrum protection and daily SPF 30, Skin Shield Mineral Sunscreen Lotion helps protect skin from UV rays while defending from the damaging effects of blue light and pollution. This indoor/outdoor skin essential features a 100% mineral active formulation free from chemical sunscreens. Skin Shield delivers a dewy layer of moisture with a lightweight, non-greasy texture and a hint of tint that's suitable across skin tones.

Ingredient Features and Benefits

- As a 100% natural mineral sunscreen, Zinc Oxide acts as a barrier against ultraviolet rays with broad spectrum protection, limiting damage from exposure to both UVA and UVB rays.
- Providing immediate and long-term hydration, Beet Root helps improve skin's barrier function and moisture levels.
- Powered by light, the algae extract Spirulina Maxima supports skin's natural cellular repair processes, helping reduce digital aging from blue light exposure and photo aging from sun exposure.
- The plankton extract Phaeocactylum Tricornutum, combined with the sunflower extract Helianthus Annuus, helps skin resist damage from pollution by supporting cellular longevity in urban environments.
- The red algae Rhodophyceae is an adaptogen sourced from extreme conditions that helps skin adapt to challenging environmental stressors.
- Fine, round particles of Calcium Sodium Borosilicate have unique light-diffusing properties and impart a soft-focus effect for a luminous glow.
- Fructooligosaccharides provide humectant and prebiotic properties to help hydrate and support healthy skin microbiome.
- Natural Green Tea fragrance provides a calming, soothing scent.

Inspired by Nature, Refined by Science, Made Safe by Sisel, Loved by Skin

Natrience formulas are created on a foundation of natural ingredients that have been refined by technology and cutting-edge advancements in skin science into their most active and bioavailable components. Every ingredient meets our stringent Sisel Safe® standards with the highest levels of safety, purity, and integrity. These perfected ingredients are thoughtfully formulated into our Natrience skin care line where they are loved by you and your skin for their visible anti-aging benefits and for the health, vitality, and wellbeing of your skin.

Ingredients

Active Ingredient: Zinc Oxide 20%

Inactive Ingredients: Water (Aqua), Ethylhexyl Oliviate, C9-12 Alkane, Hydroxyethyl Dimethicone Laurate, Propanediol, Calcium Sodium Borosilicate, Pentylene Glycol, Polymethylsilsesquioxane, Butylene Glycol, Butyloctyl Salicylate, C12-15 Alkyl Benzoate, Cocoglycerides, Jojoba Esters, Dimethicone, Betaine, Sucrose, Spirulina Maxima Extract, Fructooligosaccharides, Beta Vulgaris (Beet) Root Extract, Hydrolyzed Rhodophyceae Extract, Helianthus Annuus (Sunflower) Seed Oil, Phaeodactylum Tricornutum Extract, Dipotassium Glycyrrhizate, Persea Gratissima (Avocado) Oil, Squalane, Caprylic/Capric Triglyceride, Tocopherol, Lecithin, Hydroxyacetophenone, Disteardimonium Hectorite, Polyhydroxystearic Acid, Trihydroxystearin, Triethyl Citrate, Caprylyl Glycol, Tetrasodium Glutamate Diacetate, Sodium Dehydroacetate, Hydrogenated Vegetable Oil, Caprylhydroxamic Acid, Sodium Chloride, Sodium Citrate, Iron Oxides (CI 77492), Iron Oxides (CI 77491), Fragrance (Natural).

30 ml / 1 fl. oz.

Directions

Apply a generous amount in an even layer to face and neck. Use daily as the last step in your skin care routine, before makeup, and at least 15 minutes before sun exposure.

FAQ

Q. How does Skin Shield Mineral Sunscreen support skin health?

A. According to the American Academy of Dermatology, sunscreen plays a key role in protecting your skin from the unwanted effects of the sun. In addition to helping prevent sunburn, using a broad spectrum sunscreen with SPF 30 or higher can decrease signs of early aging on your skin like wrinkles, age spots, and sagging skin, and reduce your risk of developing skin cancer.

Q. What do UVA and UVB mean?

A. The sun emits light in different wavelengths, some of which are proven to damage the skin, such as ultraviolet A and ultraviolet B. UVA rays penetrate the skin more deeply and can be one of the chief cause of wrinkles, sagging, and premature skin aging. UVB rays are the primary cause of sunburn and damage the skin's upper surface. An easy way to remember the difference is UVA = Aging rays and UVB = Burning rays.

Q. What does broad spectrum mean?

A. Broad spectrum means that a sunscreen provides effective protection from UVA and UVB rays, both of which can cause unwanted skin conditions, including skin cancer.

Q. What does SPF mean?

A. SPF means Sun Protection Factor and is a rating of a sunscreen's ability to limit your skin's exposure to UVB rays. An SPF 15 filters out approximately 93% of UVB rays. An SPF 30 can filter out up to 97% of UVB rays. Above SPF 30 the amount of additional sun protection is negligible. The American Academy of Dermatologists recommends at least SPF 30, which represents high strength UVB protection.

Q. What does PA mean?

A. PA means Protection Grade of UVA. It's a Japanese scoring system specifically designed to measure a product's ability to block UVA rays. A PA+++ rating represents high strength UVA protection.

Q. What are the key benefits of Skin Shield Mineral Sunscreen Lotion?

A. Skin Shield Mineral Sunscreen Lotion is formulated to moisturize your skin, support skin's natural barrier function, and support skin's healthy microbiome. In addition to its hydrating benefits, Skin Shield also includes active ingredients designed to help protect skin from damaging UVA and UVB rays, from the harmful effects of blue light, and from environmental stressors.

Q. How do I use Skin Shield Mineral Sunscreen in my skin care routine?

A. Skin Shield Mineral Sunscreen is an essential final protective step in your regimen. Apply following your daytime moisturizer, either Hydra Light Repair Lotion or Hydra Light Repair Cream. Alternatively, since Skin Shield is formulated with powerful moisturizing properties, it can be used as your daytime moisturizer.
