Vibrant™

Biodegradable Laundry Detergent

Wash your laundry with confidence when you use Vibrant Biodegradable Laundry Detergent, a concentrated, environmentally friendly formula. Keep clothes cleaner and brighter while also keeping your home Sisel Safe® with this gentle but effective detergent. Tackle stains, clean deeply, and enjoy the fresh mango tango scent.

PRODUCT DESCRIPTION

Vibrant Laundry Detergent is free of toxins like phosphates, borates, sulfates, and chlorine, and is gentle on your clothes. The specialized formula uses effective foaming agents to break down soils and hold them in suspension so they can be cleanly rinsed away. By utilizing special cleaning agents and enzymes, Vibrant works well even in hard water to reduce mineral deposits and lift mineral residues from fabrics.

Vibrant is concentrated so that you can use less without compromising cleanliness. It is an effective spot remover for lipsticks, butter, oils, and other natural stains. Replace your stain removers by simply applying a small amount of Vibrant directly on the stain and rub it in before washing. Vibrant has a pleasant fragrance that neutralizes odors rather than masking them so that you can enjoy your fresh, clean laundry.

DIRECTIONS

For small to medium loads, use 30 ml or ½ capful. For larger loads or heavily soiled loads, use 60 ml or 1 capful. To evenly dispense, add detergent directly to wash water or dispenser before loading the laundry.

INGREDIENT FEATURES & BENEFITS

- ▶ **Toxin Free & Biodegradable:** Formulated with natural, biodegradable, and toxin-free ingredients. This clean formula is also sulfate and paraben free.
- ▶ **Gentle & Effective:** Ingredients are tough on fabric stains but gentle on your skin and the environment, and safe to use in your home.
- ▶ **Budget Friendly:** The concentrated formula allows you to use less product in each load of laundry and can be used as a spot and stain remover, delivering two products in one.
- ▶ **Sisel Safe®:** Vibrant uses natural, safe, effective ingredients that replace harsh chemicals and toxins for a Sisel Safe home.
