Brain VITALITY™

Extreme Cognitive Support

Promote improved memory, focus, learning, and overall brain health with Brain VITALITY™ Extreme Cognitive Support. This supplement features bioavailable ingredients like magnesium sulfate, bacopa, alpha-GPC, and alpha-lipoic acid, to support cognitive function, brain plasticity, and mental clarity.

PRODUCT DESCRIPTION

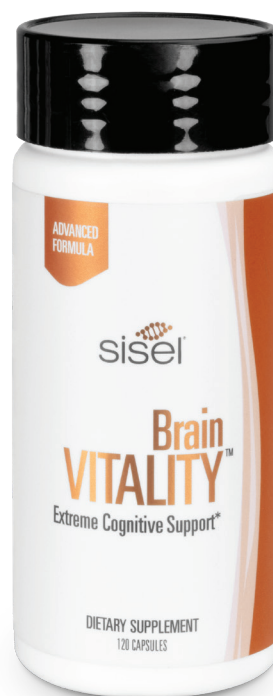

Brain VITALITY™ supports the brain as it becomes more vulnerable to age-related decline. Its advanced blend features bioavailable magnesium sulfate to elevate brain magnesium levels and alpha-GPC to boost acetylcholine (a neurotransmitter) for cognition, and bacopa to support communication between brain cells. Alpha-lipoic acid encourages mitochondrial energy, and curcuminoids promote memory and attention.

Additional nutrients—including folic acid, fenugreek galactomannans, milk thistle, vitamin B6, and vitamin D3—support neurotransmitter synthesis, neuroprotection, and mood balance. Brain VITALITY promotes healthy brain circulation, encourages neuroplasticity, brain cell signaling, and stress resilience. These ingredients combined provide comprehensive nutritional support to keep your brain sharp.

DIRECTIONS

- Take 3 capsules daily with 240 ml of water.

Store in a cool, dry place.

INGREDIENT FEATURES & BENEFITS

- **Cognitive Function:** Alpha-GPC, and alpha-lipoic acid are a rich combination of ingredients designed to help nourish your brain and support healthy cognitive function.
- **Bioavailability:** Brain VITALITY's unique ingredients have positive bioavailable properties, helping nutrients be more easily absorbed through the blood-brain barrier for better, faster results.
- **Memory & Attention:** Curcuma longa can help support positive cognition, memory, and attention span.
- **Brain Cell Regeneration:** Fenugreek galactomannans can help naturally stimulate and regenerate brain cells and promote improved libido and mood.
- **Learning & Focus:** Bacopa encourages brain communication, cognition, focus, learning, and memory.

COGNITIVE SUPPORT

All natural nootropic ingredients designed to support memory and clarity.

NEUROTRANSMITTER BOOST

Pyridoxine support focus and mood.

BRAIN HEALTH

Alpha-lipoic acid and phosphatidylserine protect and support brain function.

BIOAVAILABILITY

Formulated with bioavailable ingredients for optimal cognitive support.
