## CollagenB3™

**Beauty. Body. Brain.**

*with MCT and Hyaluronic Acid*

Nourish your beauty, body, and brain health with CollagenB3™, a comprehensive collagen complex. This advanced formula delivers multi-collagen protein, MCT oil, hyaluronic acid, chaga, amino acids, and essential minerals that support healthy hair, skin, nails, joints, musculoskeletal strength, energy, and positive cognitive function.

### PRODUCT DESCRIPTION

CollagenB3 is a blend of collagen types I, II, and III, designed to nourish your beauty, body, and brain. This advanced blend combines collagen with hyaluronic acid, MCT oil, chaga, amino acids, and essential minerals to help replenish what daily stress and aging can deplete. Collagen makes up 70% of your skin and supports hair, nails, bones, ligaments, and tendons. CollagenB3 helps maintain youthful skin and musculoskeletal function.

CollagenB3™ includes MCT oil to provide steady energy and cognitive clarity, while ginseng and magnesium promote stamina, balanced mood, and overall vitality. Additionally, chaga, trace minerals, and phospholipids aid in digestion and nutrient absorption to help fill common dietary gaps. This synergistic blend delivers beauty benefits, full-body nourishment, and brain-boosting performance from the inside.

### DIRECTIONS

► Mix 2 scoops with 8 – 10 oz of water in a shaker bottle or blender until uniform.

For variety, use in baking, as a coffee creamer, or add to smoothies and drinks.

CollagenB3 is not a meal replacement.

Store in a cool, dry place.

### INGREDIENT FEATURES & BENEFITS

- **Beauty & Skin Health:** A multi-collagen complex with types I and III collagen, plus hyaluronic acid and biotin, can support radiant skin, hydrated elasticity, and healthy hair and nails, helping address age-related collagen loss and environmental stressors.
- **Musculoskeletal Support:** Type II collagen and essential amino acids work together to support strong bones, flexible joints, healthy cartilage, and muscle recovery, promoting overall musculoskeletal strength.
- **Brain, Energy & Performance:** MCT oil can encourage positive brain activity, mental clarity, and sustained energy.
- **Digestive Health:** Chaga, trace minerals, and sunflower-derived phospholipids can support digestion, nutrient absorption, and overall cellular function, helping fill common gaps in modern diets.
- **Mood & Sleep:** L-tryptophan can help encourage natural serotonin production for a balanced mood, while melatonin may support healthy sleep patterns.

### BEAUTY

Types I and III Collagen strengthen hair, nails, and skin.

### BODY

Type II Collagen strengthens bones, ligaments, and tendons.

### BRAIN

Supports mental clarity, energy, and focus.

### NUTRITION

Helps with appetite suppression, nutrient absorption, and gut health.
