# Renovator™

## Natural Joint, Cartilage, and Musculoskeletal Support

Ease joint discomfort and enhance your mobility with Renovator™ Natural Joint, Cartilage, and Musculoskeletal Support. Renovator provides advanced aid for musculoskeletal systems with a powerful blend of undenatured type II collagen and key ingredients for supporting synovial fluid.\*

### PRODUCT DESCRIPTION

Renovator delivers natural support for joint, cartilage, and musculoskeletal health. Featuring undenatured type II collagen alongside MSM, boswellia serrata, and green-lipped mussel, this advanced formula nourishes synovial fluid, reinforces cartilage strength, and promotes comfortable flexibility. Renovator helps soothe everyday joint discomfort, supporting smoother, more confident movement so you can stay active and agile.\*

This comprehensive formula goes beyond joints, supporting the entire musculoskeletal system with botanicals like devil's claw, turmeric, and fenugreek. These ingredients work together to maintain muscle and joint comfort. Whether your body is feeling the effects of age, overuse, or daily stress, Renovator provides targeted, natural support to help you move with ease and feel your best.\*

### DIRECTIONS

- Take 2 capsules 2 times daily with water.

Store in a cool, dry place.

### INGREDIENT FEATURES & BENEFITS

- **Bone Health:** Undenatured type II collagen is a major component of the collagen matrix in bones, contributing to their structure, flexibility, and resilience.
- **Joint Health:** Green-lipped mussel and boswellia serrata support joint function by providing nutrients that promote flexibility and comfort in the joints.
- **Cartilage:** MSM (methylsulfonylmethane) promotes cartilage health by providing sulfur, a key component in collagen production, which helps maintain the strength and flexibility of joint cartilage.
- **Musculoskeletal Support:** Devil's claw supports the musculoskeletal system by helping maintain flexibility and comfort in muscles and joints due to its natural plant compounds.
