Sapphire Conditioner™

Paraben, PEG, and Sulfate Free
with Argan Oil

Moisturize your hair with Sapphire Conditioner enriched with 100% pure Argan Oil containing vitamin E, designed to combat the effects of heat, coloring, and styling. Treat split ends, prevent premature graying, and nourish your hair, so each strand is stronger and softer. This conditioner can help hydrate and repair your hair with every wash.

PRODUCT DESCRIPTION

Sapphire Conditioner is a lush formula made from natural ingredients like 100% pure argan oil. Argan oil is known for its benefits to hair including nourishing, strengthening, and improving shine. Vitamin E contained within argan oil helps to prevent damage to hair and provides intense moisturizing. Added panthenol (Pro-Vitamin B5) helps hair retain moisture, adds shine, and improves overall hair health.

This conditioner is specially created to help combat the effects of heat, coloring, and styling so that your hair can remain silky and smooth. Sapphire Conditioner helps protect against and treat split ends, giving your hair a softer feel and making it easier to comb through. It also can help prevent premature graying, and is free of sulfates, parabens, and other toxins. Sapphire Conditioner is the perfect way to revitalize your hair.

DIRECTIONS

Apply evenly through wet hair from scalp to ends. For deep conditioning, leave on hair for three or more minutes. Rinse and dry thoroughly. Use after Sapphire Shampoo for best results.

INGREDIENT FEATURES & BENEFITS

- ▶ **Moisturize:** Hydrates each strand with nourishing ingredients like argan oil and panthenol, helping to restore softness, strength, and shine.
