Sapphire Shampoo™

Paraben, PEG, and Sulfate Free

Nourish your hair with Sapphire Shampoo, an antioxidant-rich formula created to help repair damaged hair and follicles while keeping hair healthy and soft. Using superfruit blends and natural ingredients, this gentle shampoo can help lock in lasting moisture and strengthen strands so your hair can feel and look voluminous, soft, and clean.

PRODUCT DESCRIPTION

Sapphire Shampoo is a gentle, nourishing, sulfate and paraben-free shampoo crafted to protect, and refresh your hair, and help it retain moisture and volume. Plant-based cleansers and rich, hydrating ingredients like panthenol and hydrolyzed silk help create a light lather that lifts away buildup while keeping your hair strands and follicles soft. Safe for color-treated hair, Sapphire Shampoo is the perfect way to keep your hair fresh.

Infused with antioxidant-packed superfruit extracts including acai, cranberry, and goji berry, Sapphire Shampoo helps to protect and nourish your hair from root to tip. A blend of botanical proteins and herbal extracts work to strengthen and smooth, leaving your hair naturally vibrant and resilient. With its subtle, nature-inspired scent, and thoughtfully selected natural ingredients, Sapphire Shampoo is a simple step toward healthier hair.

DIRECTIONS

Step 1: Apply an amount of shampoo the size of a small coin to wet hair. Lather and rinse thoroughly. There will be a small amount of foam with the first wash.

Step 2: Apply half the amount of shampoo in step 1. The second wash will result in a rich foam lather that will finish texturizing the hair.
