## SiseLEAN™

### Weight Management Shake Salted Caramel Flavor

Taste the difference of SiseLEAN, a low-calorie, nutritious shake optimized to support your diet and weight management goals. SiseLEAN salted caramel is packed with 22 grams of premium protein and essential nutrients to help improve your rapid and long-term fat burning and muscle building, without adding extra calories or sacrificing delicious flavor.\*

## PRODUCT DESCRIPTION

SiseLEAN is filled with nutrients, featuring an impressive 22 grams of premium protein, 4 grams of fiber, more than 50 trace minerals, and 5 essential vitamins. SiseLEAN has a rich, luscious flavor and is sweetened with natural, zero-calorie, stevia extract. Not only does SiseLEAN taste great, the micellar casein and whey proteins help support muscle growth by providing quick fuel and helping with muscle recovery.

Unlike other shake formulas, SiseLEAN is low in calories but high in essential nutrition. Choosing to replace just one meal a day with SiseLEAN has the potential to help reduce your overall caloric intake. Additionally, casein protein may help you feel fuller longer due to its slow digestion rate, aiding appetite suppression. Whether you are looking to slim down or to maintain your healthy weight, SiseLEAN is a tool that helps make your goals achievable.\*

## DIRECTIONS

- Mix 1 rounded scoop (27.5 grams) with 8 – 12 oz of water and mix until uniform.

## INGREDIENT FEATURES & BENEFITS

- **Muscle Building:** Fortify your muscles with 22 grams of premium micellar casein and whey protein, providing intensified muscle-building support and enhanced muscle recovery.\*
- **Appetite Control:** Feel fuller longer and curb your appetite with casein protein and added fiber which can also aid in digestive maintenance.\*
- **System Support:** Improve the body's natural biological functions and support joint health with trace elements and vitamins A, D, E, B6, and B12.\*
- **Natural Sweeteners:** Indulge in a luscious and tasty experience with stevia, which is a natural sweetener.\*
