SiselSilver™ Bar Soap

with Micronized Colloidal Silver

Keep your skin fresh and clean with SiselSilver Bar Soap, enhanced with micronized silver particles with an Ag_4O_4 coating. With coconut-based cleansers, this bar soap can help eliminate impurities. Gentle exfoliators help remove dead skin cells while skin-firming ingredients and moisturizers help your skin feel fresh, hydrated, and supple with daily use.

PRODUCT DESCRIPTION

SiselSilver Bar Soap combines advanced science with nature's best ingredients to give your skin a refreshing, healthy clean. Infused with micronized silver particles enhanced by Ag_4O_4 technology, this bar helps deliver a deeper level of cleanliness. With exfoliating minerals and natural moisturizers, it helps lift away dead skin cells while locking in hydration.

Formulated with *Murraya koenigii* stem extract to support skin firmness and elasticity, SiselSilver Bar Soap supports a smoother appearance. Kaolin and gluconolactone work together to exfoliate dull buildup for fresher, more radiant skin, while oat kernel flour, hyaluronic acid, and shea butter restore moisture and suppleness. SiselSilver Bar Soap provides a thorough, gentle clean for your skin.

DIRECTIONS

- ▶ Wet skin and bar soap with water and lather. Rinse well.

INGREDIENT FEATURES & BENEFITS

- ▶ **Cleansing:** Micronized colloidal silver and coconut-based cleansers eliminate impurities for clean, fresh skin.
- ▶ **Exfoliating:** Kaolin and gluconolactone act as exfoliators that help remove dead skin cells for fresher, smoother skin.
- ▶ **Skin Firming:** *Murraya koenigii* stem extract helps support skin's natural firmness and healthy elasticity.
- ▶ **Moisturizing:** Oat kernel flour, hyaluronic acid, and shea butter combine to help hydrate and moisturize the skin for a soft and healthy feel.
- ▶ **Sisel Safe®:** This soap bar is free of sulfates, phosphates, and parabens, and uses natural, safe, effective ingredients for a Sisel Safe home.
