# Stem-O-lytic™

## Senolytic ‘Super 8’ Supplement

Stem-O-lytic is a powerful senolytic supplement that combines eight diverse and powerful natural compounds to encourage selective apoptosis which helps the body eliminate senescent “zombie” cells. This, in turn, supports the production of new stem cells for improved longevity and aging support, cellular health, and rejuvenation.\*

## PRODUCT DESCRIPTION

Stem-O-lytic supports the body’s natural ability to clear senescent “zombie” cells (old cells that no longer divide) by helping the immune system recognize and break them down. As we age, these senescent cells can build up because the immune system may fail to recognize them, which can negatively impact health and accelerate aging. Stem-O-lytic encourages the body’s natural process of apoptosis to help remove these cells. \*

Stem-O-lytic consists of eight powerful ingredients: quercetin (from Japanese sophora), fisetin (from smoketree), sclareol (from perilla), apigenin (from chamomile), curcumin, N-acetyl cysteine, black pepper, and B6 (pyridoxine HCl). It also includes B12 to support natural body functions. These ingredients work together to eliminate senescent cells, bolster the immune system, and support longevity. \*

## DIRECTIONS

► Take 2 capsules once every other day—one day on and the next day off.

## INGREDIENT FEATURES & BENEFITS

- **Target Senescent Cells:** Quercetin helps reduce the number of senescent “zombie” cells, while fisetin is a potent natural senolytic known to promote longevity and overall cellular vitality.\*
- **Healthy Apoptosis:** Sclareol and apigenin support the body’s natural process of removing old or senescent cells, while curcumin, N-acetyl cysteine, black pepper, and B6 help maintain healthy cellular turnover and overall cellular health.\*
- **Immune Function:** Curcumin supports optimal immune system performance and overall wellness, N-acetyl cysteine strengthens immune defenses through regenerative antioxidant similarities and detox support, and black pepper provides additional immune support while enhancing ingredient absorption.\*
- **Super 8 Blend:** Eight carefully chosen compounds work together synergistically to optimize cellular function and resilience.\*
- **Healthy Aging:** Stem-O-lytic is designed with ingredients that support slow, healthy aging, so you can feel young and rejuvenated.\*

### TARGET SENESENT CELLS

Reduces the number of senescent “zombie” cells.

### APOPTOSIS

Supports the natural process of removing old cells for healthy cell turnover.

### IMMUNE HEALTH

Encourages healthy immune responses and function.

### HEALTHY AGING

Promotes healthy aging by aiding in senescent cell elimination.

## INGREDIENTS

30 Capsules

### Supplement Facts

Serving Size: 2 Capsules  
Servings Per Container: 15

Amount Per Serving		% DV
Vitamin B6 (as Pyridoxine HCl)	25 mg	1471%*
Vitamin B12 (as Methylcobalamin)	1000 mcg	41667%
<b>Proprietary Blend</b>	1072 mg	**
Smoketree Extract (Cotinus coggygria) (Branch), Japanese Sophora Extract (Sophora japonica) (Flower), N-Acetyl-L-Cysteine, Chamomile Extract (Leaf), Curcumin Extract (Rhizomes), Perilla Leaf Extract (Sclareol), Black Pepper Extract (Fruit).		

\* Percent Daily Values are based on a 2,000 calorie diet  
\*\* Daily Value (DV) not established

**OTHER INGREDIENTS:** Vegetable Capsule (Hypromellose), Rice Flour, Stearic Acid, Silicon Dioxide.

## WARNING

Do not increase the amount or frequency of use. Do not take if pregnant, nursing, or under 18 years old. If you have a pre-existing medical condition, consult with your health care provider before taking this product. Discontinue use and consult your health care provider if any adverse reactions occur. Keep out of reach of children. Do not use if tamper-evident seal is broken or missing.
