Vital Vision™

Natural Eye Health Support

Keep your vision keen and vibrant with Vital Vision™ Natural Eye Health Support. Packed with powerful antioxidants like vitamins A, C, and E, this supplement is designed to protect your eyes from free radical damage and harmful UV light. The proprietary blend adds targeted, eye-nourishing strength to promote long-term vision care.*

PRODUCT DESCRIPTION

Vital Vision™ is an advanced formula that combines essential vitamins and minerals that work together to protect and nourish your eyes from daily strain. Vitamin A helps maintain clear, healthy vision, while vitamins C and E provide antioxidant support to defend delicate eye tissue from oxidative stress. Zinc further enhances visual performance by helping transport vitamin A to the retina, supporting sharper focus.*

Vital Vision includes a proprietary blend of botanical extracts that support long-term eye comfort and clarity. Aztec marigold (containing lutein and zeaxanthin) may shield the macula from harmful light, while bilberry fruit supports healthy circulation and aids vision in low light. Eyebright offers natural relief from strain, and haematococcus pluvialis (containing astaxanthin) helps defend against oxidative stress to promote clearer vision.*

DIRECTIONS

- ▶ Take 1 capsule per day with water.

Store in a cool, dry place.

INGREDIENT FEATURES & BENEFITS

- ▶ **Eye Health:** Vitamins, minerals, and a proprietary blend work together to encourage overall eye health, protect the eyes from oxidative stress, and support eye tissue and function.
- ▶ **Antioxidant Support:** Vitamins C and E provide antioxidant support to protect the eyes from oxidative stress. Carotenoids in the proprietary blend, lutein, zeaxanthin, and astaxanthin may act like antioxidants to protect the eyes from free radical damage.
- ▶ **Light Protection:** Carotenoids may support eyes by protecting the macula from harmful UV or blue light.
- ▶ **Clarity and Focus:** Natural ingredients, including zinc, support eye function, helping eyes focus and see clearly.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

EYE HEALTH

Encourages positive eye health and supports eye tissue.

ANTIOXIDANTS

Formulated with vitamins and minerals to protect the eyes from oxidative stress.

UV PROTECTION

May support eyes by protecting them from UV and blue light.

CLARITY

Helps eyes focus and see with increased clarity.
