XYVantage Guard™

Prostate Support

Support natural prostate health with XYVantage Guard, a prostate supplement incorporating a combination of powerful ingredients such as saw palmetto and other carefully selected botanicals. XY Vantage Guard encourages healthy prostate function, urinary health, and overall wellness in men.*

PRODUCT DESCRIPTION

XYVantage Guard™ combines botanicals and minerals to support men's prostate and urinary health. As men age, the prostate may change in size—a condition called benign prostatic hyperplasia (BPH)—which can affect normal urinary function in daily life. This supplement can help maintain normal prostate function, healthy urinary flow, and everyday comfort.*

Powered by saw palmetto, plant sterols, nettle root, pumpkin seed extract, and pygeum, XYVantage Guard promotes balanced hormone activity for prostate and urinary functions. HMR lignans are also included to provide support for hormone metabolism, while pomegranate, grape seed, green tea, and lycopene provide positive support for overall cellular health. Together, these ingredients, along with boswellia serrata and bioavailable boron glycinate, synergistically support prostate health, urinary patterns, and overall men's wellness.*

DIRECTIONS

▶ Take 4 capsules daily with 8 oz of water.

Store in a cool, dry place.

INGREDIENT FEATURES & BENEFITS

- ▶ **Prostate Support:** Support healthy normal prostate size and function with saw palmetto, pygeum, and pumpkin seed extract. These ingredients encourage everyday prostate health, helping men feel balanced and healthy.*
- ▶ **Hormone & Cellular Balance:** HMR lignans from Norway spruce and other plant sterols help support healthy normal hormone metabolism and cellular health, promoting overall prostate wellness. Pomegranate, grape seed, green tea, and lycopene provide antioxidant support which can help to protect cells and promote vitality.*
- ▶ **Urinary Health:** Nettle root, pumpkin seed, and pygeum work together to encourage comfortable urinary patterns, including normal nighttime function, supporting overall bladder health.*
- ▶ **Botanical Blend:** Carefully selected roots, seeds, bark, and fruits work together to provide natural prostate and urinary health support.*
