SiselH₂ STIX™

Hydrogen Infused Water Triple Berry Flavor

Improve hydration with SiselH₂ STIX, designed to transform regular water into a hydrogen-infused, oxygen-rich drink to support cellular health, energy, and endurance. Enriched with vitamin C and magnesium, it delivers powerful antioxidant protection, promotes recovery, and enhances stamina and immune function, all with a delicious triple berry flavor. *

PRODUCT DESCRIPTION

SiselH₂ STIX utilizes hydrogen, the smallest and one of the most powerful elements. Hydrogen serves as a highly effective antioxidant at the cellular level, even encouraging healthy cognitive function.

Hydrogen-infused water offers distinctive support because diatomic hydrogen (H₂) is positively charged and seeks to bind with free radicals, helping to inhibit their ability to disrupt healthy cellular functions. *

Hydrogen-infused water, like SiselH₂ STIX, may support cellular hydration and enhance cell efficiency for more stable metabolism and energy. Hydrogen can also assist with cell signaling for neurological and immune function for overall health. Combined with vitamin C, a powerful antioxidant, and magnesium, SiselH₂ STIX is an ideal way to hydrate and may help even reduce lactic acid buildup in muscles and tissues for better recovery. *

DIRECTIONS

- Mix 1 packet with 16 oz of water. Wait 5-10 minutes before consuming. For maximum effect, consume within 30 minutes.

INGREDIENT FEATURES & BENEFITS

- **Cellular Recovery:** Diatomic hydrogen can support quick recovery by aiding the body's natural energy production and helping reduce lactic acid buildup in muscles and tissues. *
- **Cellular Energy & Health:** Hydrogen can help support more efficient cellular metabolism and hydration, potentially aiding the body's natural energy production.*
- **Reduced Oxidative Stress:** Vitamin C and hydrogen work together to help neutralize free radicals, encouraging the reduction of oxidative stress and promoting normal cellular function. *
- **Overall Wellness:** Hydrogen can assist with cell signaling, supporting healthy cognitive and neurological functions, a healthy immune system, and positive stamina and endurance. *

MUSCLE RECOVERY

Hydrogen-infused, oxygen-rich water can reduce lactic acid buildup.

ATHLETIC PERFORMANCE

Supports stamina, endurance, and superior athletic performance.

CELLULAR ENERGY

Hydrogen-infused water supports cellular metabolism and energy.

CELLULAR HEALTH

Vitamin C helps neutralize free radicals and protects cells from damage.

INGREDIENTS

Net Weight: 48g (1.7 oz)

Supplement Facts

Serving Size: 1 Packet (1.6 g)

Servings Per Container: 30

Amount Per Serving		% DV
Vitamin C (as Ascorbic Acid)	200 mg	222%
Magnesium (as Magnesium Metal, Magnesium Malate, Magnesium Bisglycinate Chelate, Magnesium Oxide)	200 mg	48%
Potassium (as Potassium Citrate)	60 mg	1%

*Percent Daily Values are based on a 2,000 calorie diet.

**Daily Value (DV) not established.

OTHER INGREDIENTS: Natural Flavors, Spirulina Extract (Color), Malic Acid, Fumaric Acid, Stevia (Leaf) Extract

WARNING

If you are under 18 years old, pregnant, nursing, take prescription medication, or have a pre-existing medical condition, consult with your health care provider before taking this product. Discontinue use and consult with your health care provider if any adverse reactions occur. Do not use if the pouch is torn or not sealed. Keep out of the reach of children.
